Vol. No. 20

Foreword

As the year goes by, memorable school events are noted. The past year which we have lived, have enjoyed, and will always remember, is here in the '59 Tiger.

That many new additions and changes are present is quite evident as one flips through the pages of the new Tiger. The changes are, we hope, advantageous and helpful in making this issue an outstanding one.

Honoring the enthusiastic spirit of each student of M.C.H.S., the staff chose "Tiger Spirit" as the theme of the twentieth volume of the Tiger. The untiring spirit is present in every phase of school activity, and we have tried to bring it out in our book.

ADVERTISEMENTS

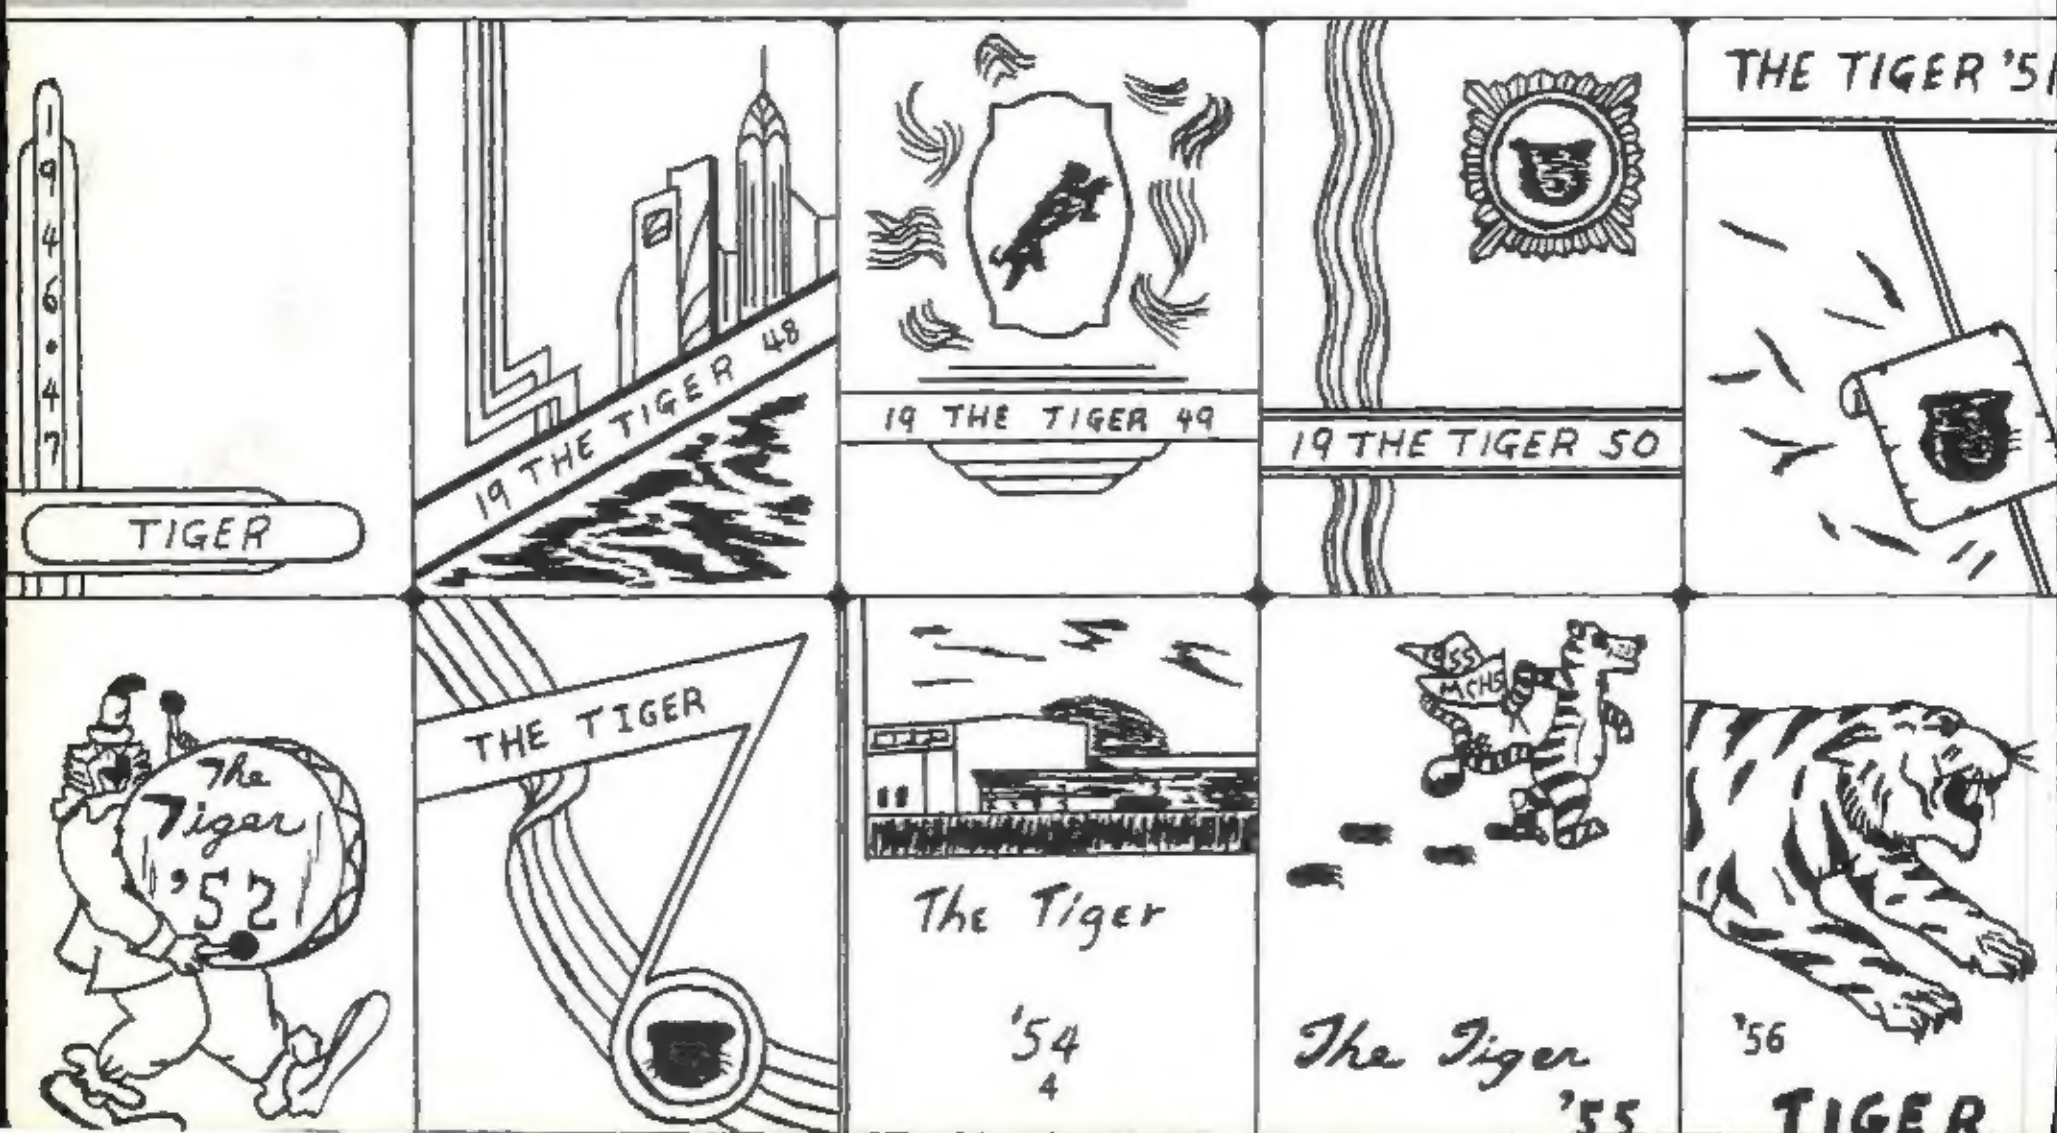

An Open Letter to Mrs. Emma Lou Rogers

We salute you, Mrs. Rogers, and we miss you here at MCHS! For years, students received inspiration in your classes leaving them with a greater love for the written word and a greater respect for the correctly spoken word. You earned a reputation here as a true and dedicated teacher --- capable, fair, and understanding, willing, too, to work many extra hours if it would benefit any student.

We appreciate particularly the ten years you gave as advisor to the "Tiger." A decade in which it developed from the mimeographed '46-'47 edition to the professional looking "Tiger" of 1955.

We congratulate Patterson High School on your return home, but we hold fast the memories of "Miss Lassus," teacher, mentor, and friend, to whom we lovingly dedicate the 1959 Tiger.

Inside the Tiger

Rough drafts, triplicates, copy sheets, deadlines . . . this is all terminology of the busy Tiger Staff. This year you will find radical changes in the "Tiger." These changes have been made with the hope of publishing a better annual--an annual that will mean even more to the students of M. C. H. S. now and in future years. Some of the interesting features that cut away the bond of the usual and mark the individuality of the 1959 "Tiger" are the sensational new cover, the interesting and informative reading matter, the foreword, the helpful index, the numbered pages, and numerous other novel features. Special effort and abundant school spirit has gone into the 1959 "Tiger." We, of the Tiger Staff, hope you like it.

Tiger Staff at Work

Among students on Tiger Staff are: Billy Duet, Julie Fields, Vera Lee Oubre, Pat Songe, Sally Shelton, Linda Ray Campos, Earline Clause, Sandra Cloutier, Sandra Fontenot, Barbara Gray, Sandra Streva, Merlin Price, Janet Freeman, Jackie Amador, Waynell Crisman, Ellen Belanger, Judy Guidry, Rita Vaughn, Kathyne Duplantis, Gay Derks, Valerie Jordan, Carol Miller, Mary Lewis, Karen Dupuis, Patsey Sampey.

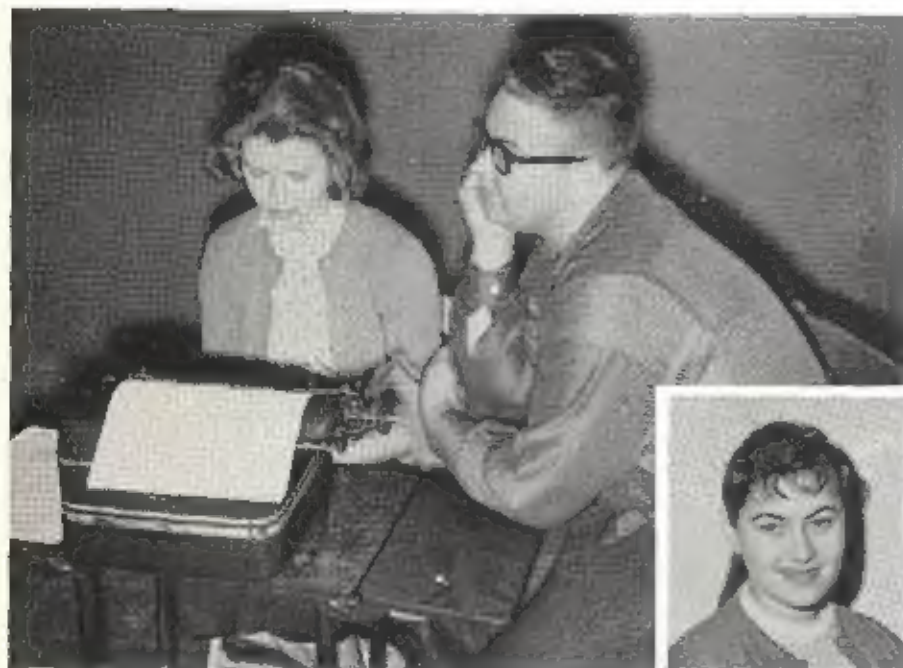

Editors to be envied. Sports editors are Barbara Dupont, Billy Duet, and Carol Duplantis. This team was always first over the finish line with their work.

ACTIVITIES EDITORS

Pushing, shoving, urging, and delivering the pages was our Sponsor, Miss Jolley.

TYPISTS

The student body editor's job was to compile all the facts about a student and to mug him in the student body pages. These editors were Mary Lewis, Patsy Sampey, Sandra Strevva, and Mary Chasson.

SPORTS EDITORS

Sue's leaving, left this active girl, Gay Derks, with the task of covering such big events as the prom and other spring activities.

SPONSOR

The tapping of the busy keys of the typewriter can be very monotonous especially to the uncomplaining typists of the yearbook. Typists: Billy Theriot, Jackie Amador, and Anita Stansbury.

STUDENT BODY EDITORS

FEATURE EDITORS

The Associate Editors carry out the theme of our '59 Tiger in the lead-in pages and they also cover the favorites of M. C. H. S. They are Sandra Cloutier and Barbara Gray.

EDITOR-IN-CHIEF

The talented artists on the Tiger Staff (stop doodling, boys) are Merlin Price and Roger Gorsha. Merlin takes most of our pictures, as well.

ORGANIZATIONS EDITORS

Can you imagine the Yearbook without the Feature Editors to cover the Homecoming and Sweet-heart Court and Dance? The Feature Editors are Pat Songe, Vera L. Oubre, and Linda R. Campos.

ASSOCIATE EDITORS

Our "beloved" Editor-in-Chief, Kathyne Duplantis. It is her job to coordinate the efforts of the entire staff for the job that is to be done.

ARTISTS

Organization Editors cover all pages of all organizations and staffs. These editors are Earline Clause, Judy Guidry, and Ellen Belanger.

They Hold the "Purse Strings"

The people who were responsible for the efficient handling of the "Tiger's" finances are Mrs. Betty Funchess, Sponsor, and Carol Miller, Business Manager.

The pleasant personalities of our "saleswomen" helped greatly to bring about the sales of the 1959 "Tiger." The saleswomen were Sandra Fontenot, Rosalie Uzzo, Rita Vaughn, Valerie Jordan, Audrey Goulas, Sandra Streva, Carol Miller, and Anita Stansbury.

The possibilities of putting out a yearbook would have been mighty slim without the managers and sponsor to encourage the salesmen. Barry Talbot, Sally Shelton (Not Shown), and Waynell Crisman, Managers; Mr. Jarield Francis, Sponsor.

Our many thanks go to the Ad Salesmen who know that selling ads is certainly no picnic. Our Ad Salesmen are: B. Talbot, S. Shelton, W. Crisman, P. Sampey, B. Hutton, J. Freeman, J. Guidry, J. Fields, S. Fromenthal, F. Ratchliff, N. Hymel, L. Cope, B. Belanger, L. Cutrone, L. Guarisco, M. Richard, J. Jeffus, A. Polaski, V. Falkenburg, O. Myers, V. Guarisco.

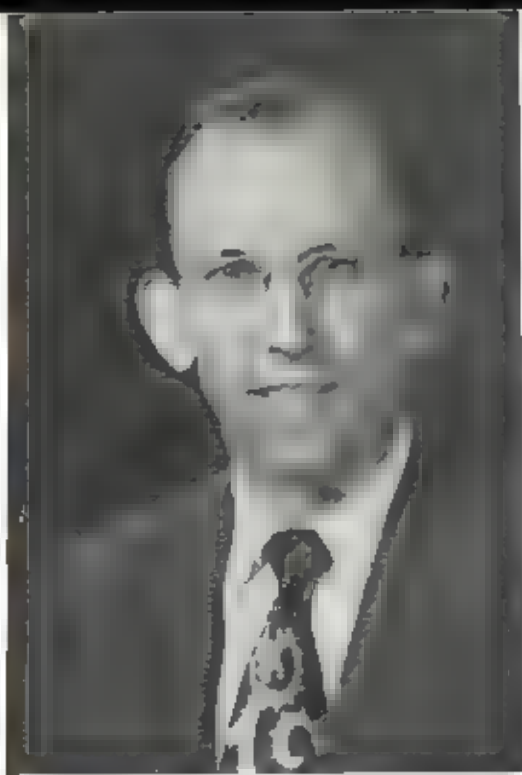

Administration

What would we do without these Tiger Backers?

Our Mr. Holmes

We, the students of Morgan City High School, give our most sincere admiration, respect, and thanks to our principal for the untiring spirit in which he has helped us to grow and learn. We will always gratefully remember his unselfish support to all of us, both in the classroom and in extracurricular activities, and we shall especially remember as a friend, our Mr. Holmes.

SCHOOL BOARD

In Memoriam

A great loss to the school system of St. Mary Parish was the death late last year of M. L. Marquette, a valued member of the School Board for 17 years. Active also outside of the parish Mr. Marquette in 1951 was elected President of the Louisiana School Board Association and served for seven years as a member of its executive committee. For three years he was a member of the United School Committee representing the Louisiana Association.

To the Marquette family goes the sincere sympathy of the '59 Tiger. He will be long remembered for the fine services rendered his own community, his parish, and his state.

SENIOR OFFICERS

Senior Officers from left to right: Secretary, Peggy Acosta; Treasurer, Ellen Stansbury; Student Council Representative, E. J. Cavalier; Vice-President, Stanley Plessala; President, Barbara Dupont.

Seniors Are "Top Notch" Tigers

Here the seniors are at last! It is their last year in high school--the senior year with all its glory! Glory, yes, but also much work which, of course, is hard, but rewarding.

It's their last year in high school and a full one. Early in the year they get their rings. How proud and pleased they are! For a week they show them off to envious underclassmen.

Then--comes Freshman "Dog" Day. What fun the seniors have retaliating in memory of their own initiation.

The days roll on. A prom and banquet is given in their honor. The Juniors try so hard to outdo last year's juniors--and seniors don't mind, 'cause it's for them!

The senior trip is next. What fun they have going out of town and displaying their "Tiger Spirit"--letting people know that they are seniors from M. C. H. S.

Last, but certainly the top event is graduation--graduation, that great event with all its glory and many busy activities; sending out invitations, receiving all those wonderful gifts, getting caps and gowns, having all the parties and breakfasts, sitting proudly at the baccalaureate service, and then, at last, graduating!

Those Hard Working

It's their third year in high school, and oh, what a year! It's a big one--the year juniors really work, not only on lessons, but also on big school events. Yes, it's prom and banquet year! Dividing into groups for a little competition, they sell their magazines to raise money for the prom and banquet. Everyone in school looks forward to the Junior-Senior Prom.

This junior year is one in which students really prepare to become seniors.

Tigers . . . The Juniors

They order their rings and, of course, work very hard on lessons, since they would not want to be left behind the following year.

Yes, the junior year is a big one and one in which "Tiger Spirit" really shows through junior activities. This spirit will continue through the senior activities and then beyond high school into a career. These students can be proud they had such a spirit in their high school days at M.C.H.S.

Sophomores Are

The sophomores are no longer new students. This year they know their way around, fall in step with the juniors and seniors, and work hard at athletic, and in scholastic, and club projects. This year they are making the "Tiger Spirit" strong so that it will be able to stand anything.

Like the middle child in a large family, they get little attention; but they would be sadly missed if they were not here. It falls their lot, for instance, to wait on tables for the Junior-Senior Prom; to serve on many routine committees that are necessary, but not spectacular; to sell programs, tickets, and advertisements. Anything, that seniors and juniors are too busy to do and freshmen are too young to do, they do.

Busy Tigers

The past has left wonderful memories of freshman days, the future holds dreams of junior and senior years. Seniors look toward college days; juniors long for the glorious senior year. They look toward being upperclassmen with all the privileges. The sophomore year is the turning point of high school life. What sophomores do and how they act will determine their success as juniors and seniors.

It is true, the sophomores are the in-between class, but they are proud of themselves!

New Tigers Learn

"We Love Our Seniors" . . . This is the song the freshmen sang at initiation and the "good" seniors put them through all sorts of paces. They thought high school would be their own castle, but initiation showed that things were not handed out on platters. They soon found out the hard work that lay before them. However, those seniors were not so bad after all; they even gave a dance in honor of the freshmen complete with a Court--King, Queen, Maids, Dukes--the works!

Although they had a hard time, they soon learned to keep to the right in the halls, to get to class before the tardy bell, and to remember names and faces.

The Ropes

Their biggest problem was to overcome being afraid to open their mouths. Every freshman class gets the same treatment; but like the rest, they took up for themselves. After much teasing from upperclassmen, they soon learned to take it in their stride.

Being very proud of their school, they showed it by participating in everything they could. They may be sorry next year, but belonging to many clubs this year is fun to them. The whole year has been a wonderful one and these freshmen, as true TIGERS, intend to grow in "Tiger Spirit" as they grow in years.

"Spirited" New Tigers

IS YOUR FRIED CHICKEN GOOD, VERA?

This was one of the main questions of the day. The seniors put the "frosh" through all kinds of paces and as a climax of Military day, seniors were served their favorite dishes by the "dogs."

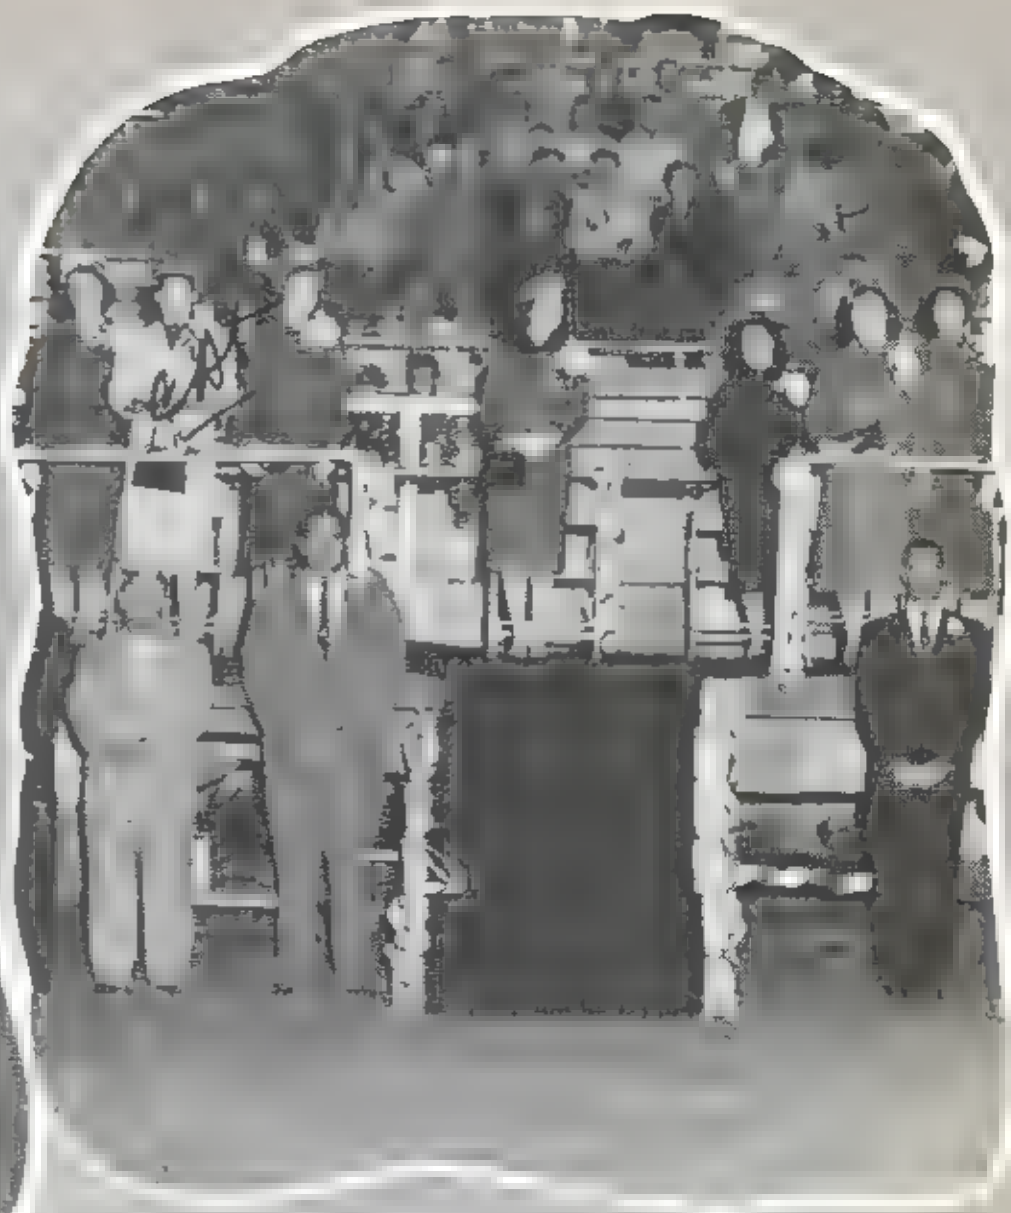

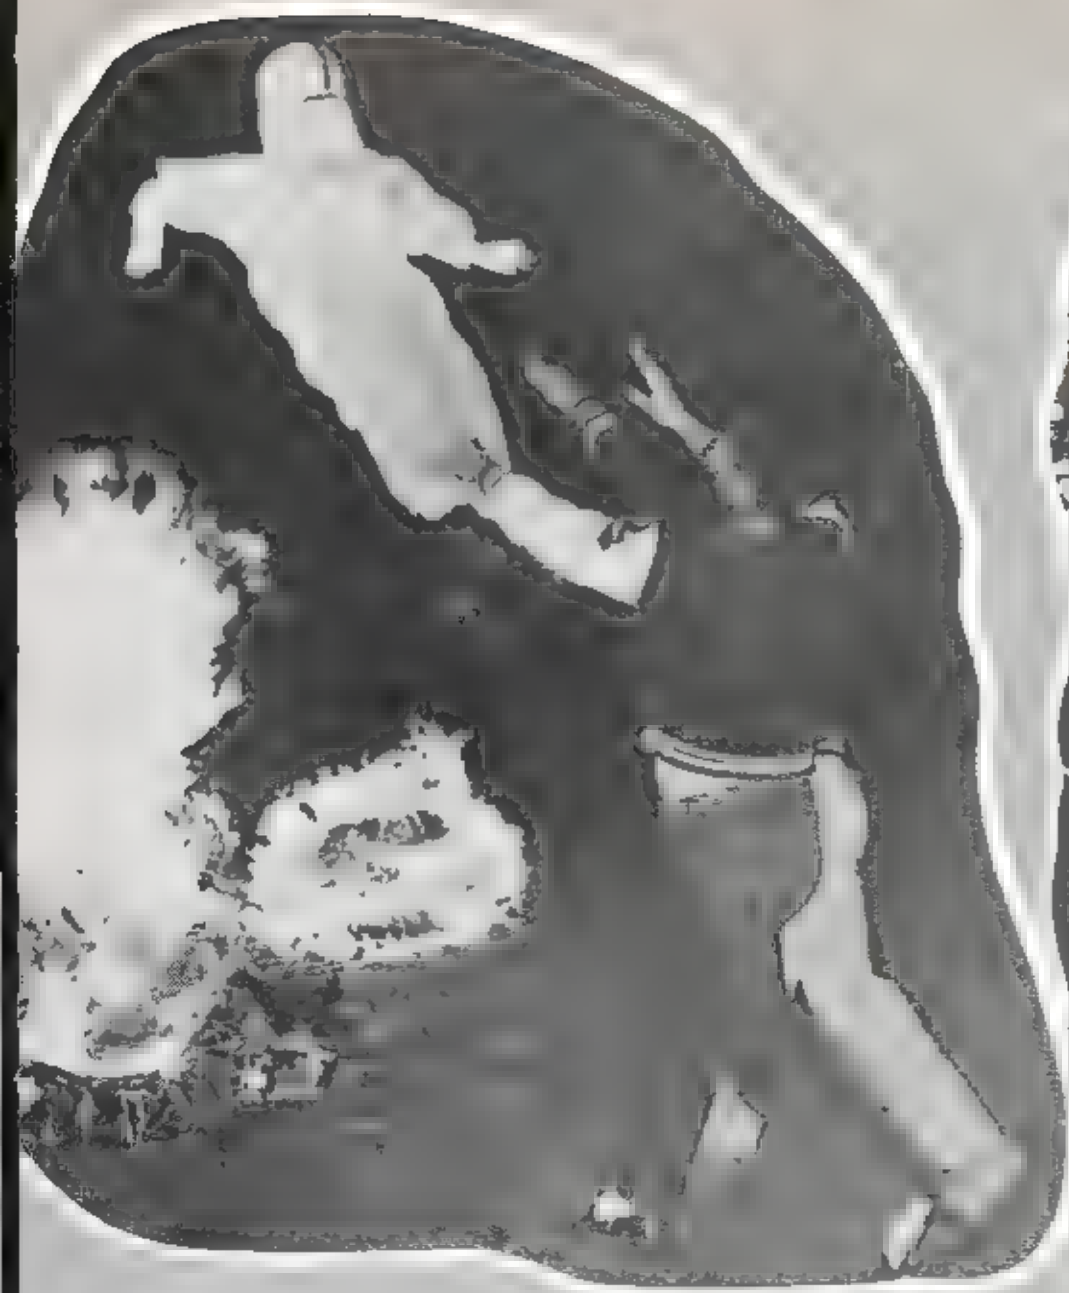

AREN'T WE CUTE? When the "looked forward to" day arrives the lucky seniors get to "mess up" their freshmen. Before school, at recess, and at noon seniors put lipstick, perfume, food coloring, and many other things on their "dogs." These new "Tigers" took the ribbing with true "Tiger Spirit."

MYRA, DO YOU ALWAYS MAKE FRESHMEN PUSH PENNIES?

This was one of many Freshman stunts at the pep rally. Everyone was delighted with their performance and the good sportsmanship shown. Afterward everyone went to the city park for another pep rally and a parade downtown.

"Birds of Paradise" was the theme of the 1958 Homecoming Court held Saturday night, November 1. The stage was completely arrayed with colorful birds on a pastel background. The master of ceremonies, a television announcer, Rene Ghirardi and his assistant, Professor Beakin Wing, portrayed by Barry Talbot, introduced the maids and dukes, assisted by Janell Bonner, who, as a cuckoo bird, did an acrobatic dance.

Billy Duet, Paul Conner, and Barry Talbot attended Pelican Boys' State at Baton Rouge from August 15 until August 23. Billy was sponsored by the American Legion, Atchafalaya Post No. 96, Paul by the B.P.O.E. No. 1121, and Barry by the Kiwanis Club.

Organizations

What are the clubs at MCHS?

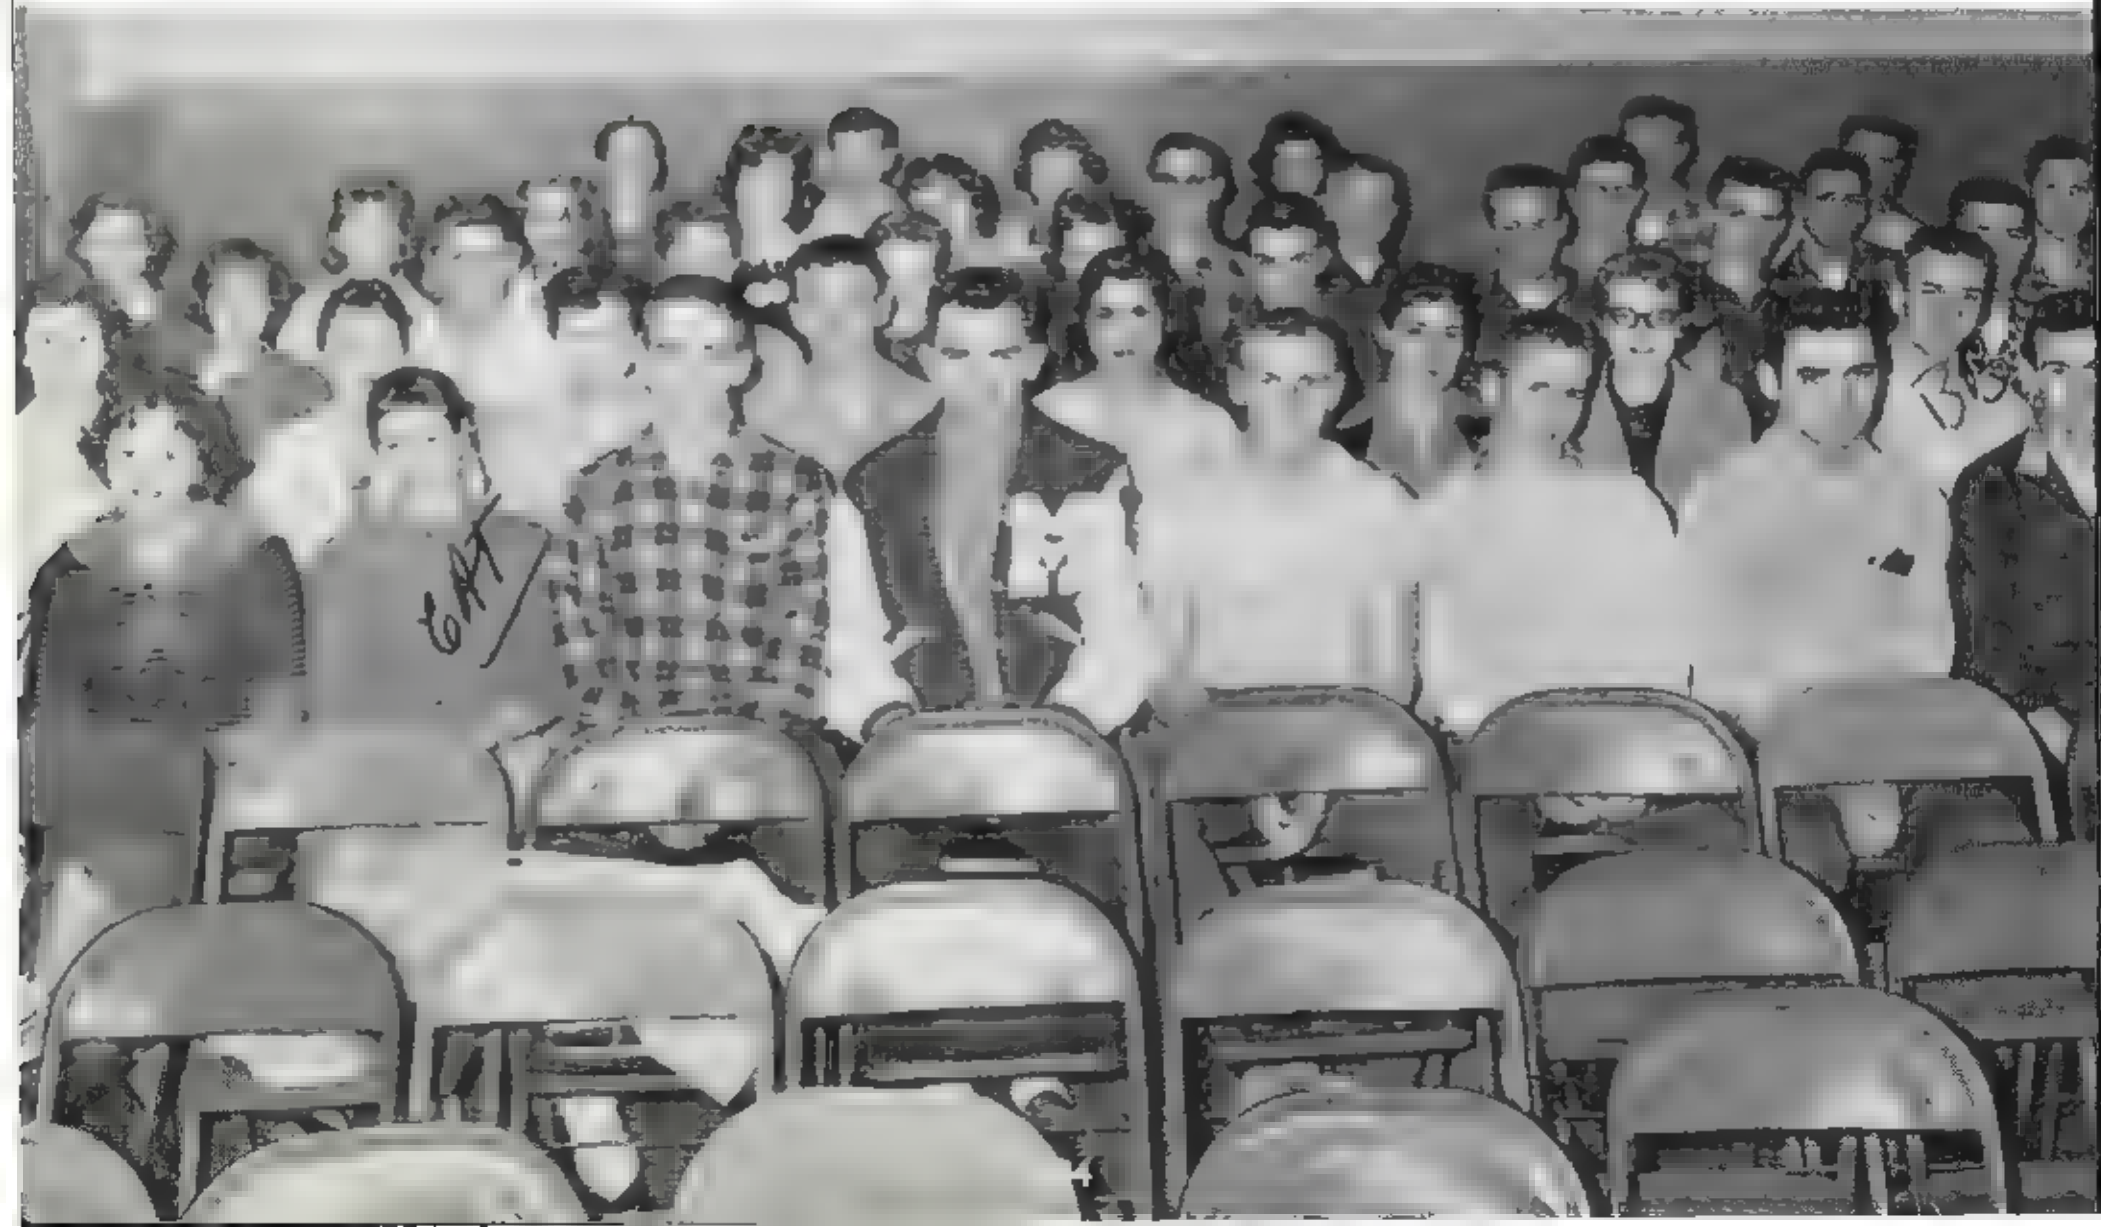

Student Council Stresses

Student Council sponsors are C. J. Peltier and Miss Bobbye Trichel.

The Student Council is a body composed of representatives from each class and the president of each organization. It has the authority to vote on and arrange scholastic and extracurricular activities for the student body. The Student Council was organized in 1939 and is a member of the Southern Association of Student Councils. It is composed of 13 committees and its many obligations include ratifying the constitutions of all M.C.H.S. organizations, arranging school elections, publicizing school activities, and arranging assemblies and organization meetings. Each year some of the members attend Student Council Conventions. This year the Student Council's main objective is student scholarship. The purpose of this is to give recognition to those pupils who are exceptionally good in one or more subjects but whose overall grades are not better than average. To those pupils medals will be awarded at the end of the year.

Scholastic Achievement

Executive Council

The Executive Council is composed of the officers of the Student Council and of the chairman of each individual committee. The 1959 Student Council officers are Dave Cavalier, president; Cameron Webster, vice president; Lois Mire, secretary; Carol Tompkins, treasurer; and Barbara Dupont, chaplain.

Traffic Committee

Through fair weather and foul the Traffic Committee knows its duties and carries them out. This committee directs automobile traffic outside of the school and supervises the lunch-line.

Ethics Committee

Typical of the 13 committees of the Student Council, this hard working committee strives to promote school spirit by sponsoring a citizenship contest. It also sells pledge cards at dances and urges students to vote in school elections.

F.H.A. Concentrates on Teenage Growth

The Future Homemakers of America is a club of long standing at M. C. H. S. It was organized some years ago with the purpose of bringing into closer relationship all the students of Home Economics and furthering their interests in that branch of education.

This year the F. H. A. has been concentrating on teenage growth. The teenage theme of their program led to a symposium on going steady in which they heard from speakers giving several and varied views on the subject.

Their activities include selecting an outstanding member as girl of the month, keeping an attractive bulletin board on activities, and a rose garden.

MEMBERS

The President of F. H. A. is Mary Chasson, and the sponsors are Misses Mildred Blakely and Margaret Jolley.

The F. H. A. Officers are: Kathyne Duplantis, Secretary; Barbara Aucoin, Reporter; Mary Lewis, Historian; Mona Duplantis, Vice-President; Patsy Sampey, Treasurer; Betty Robison, Parliamentarian; Sallye Shelton, Song Leader.

Linda Ray Campos and Myra White
rehearse, coached by Mrs. Hayes.

The Show Must Go on

The Thespian Club of M.C.H.S. sponsored this year by Mrs. Frances Hayes, speech instructor was organized under the direction of Mr. Frank Landreneau several years ago.

This year they have been busy on reports of current plays, and recently produced their own, "MORE THAN MEETS THE EYE," an unusually good play for an amateur group. Not only does this group produce plays and act in them as well, they also provide all of the stage settings, advertisements, technical workers, ticket sales, and make-up, too.

Officers are seated, left to right: Sylvia Timmons, Secretary; Valerie Jorden, Treasurer; Miriam Michel, President; Ann Brunson, 2nd Vice President. Standing: Carol Miller, Reporter; Julie Fields, Historian; Mrs. Hayes, Sponsor; Linda Delaune, Recording Secretary; and Barry Belanger, 1st Vice President.

The Student Prints — A New Bold Paper

Lois Mire is the Editor of the Student Prints and Mike Vidos is the Assistant Editor, the sponsor is Mrs. Frances Bazet.

A new bold paper! The "Student Prints" has taken another forward step in publishing a better paper.

Since its first publication in 1922, when it appeared as the "Pilot", printed by a local printing company, it has undergone many changes. In 1929, the paper's name was changed to the "Student Prints". This did not last however, as in 1935, the "Student Prints" title was resumed.

The 1958-59 "Student Prints" is edited by the students and is published every two weeks.

The new method of printing has been the cause of many headaches for the editor and sponsor, but their willingness to work, plus the cooperation and coordination of the entire staff has resulted in the new Litho-Print "Student Prints".

Before the finished copy is made, the dummy must be completed, which is quite a task for the staff.

M.C.H.S. — Meet the "Roar"

M.C.H.S., meet the "Roar!" This is the "Roar's" formal introduction from the "Tiger". A magazine created and published by the students of the English Composition class, the "Roar" is distributed twice yearly with a subscription rate of thirty-five cents. It includes interesting, humorous, and adventurous short stories, poems, editorials, and essays.

Interested in writing? The "Roar" literature depends entirely on writings submitted by M.C.H.S. students. (Confidentially, it is predicted that the "Roar" will be competing with some of the national weeklies by next year.)

Sponsoring the "Roar" publication is Mrs. Eddie Guarisco. The Editor is Jackie Amador; Assistant Editor is Jeanne Duke; and the Business Manager is Delores Haines.

All of the staff work together in publishing the "Roar".

Honor Students, Honor Tigers

Mu Sigma is growing by leaps and bounds. Honor cards, established and given by Mu Sigma with the co-operation of the Parent Teachers Association, has boosted students' desire to get "A" and "B" averages. The brilliant club has come up with the idea of an "M" award, which goes to students doing extracurricular work and yet maintaining at least a "C" average. Sponsors are Miss Pat Benoit and Wilton Sharkey. Officers are: President, B. Duet; Vice President, E. Stansbury; Secretary-Treasurer, P. Acosta; Parliamentarian, E. J. Cavaller.

Onward With Industry

The purpose of the Industrial Arts Club is to promote a better understanding of industry. Members can be recognized by their beautiful gray and gold jackets, complete with insignia and name. Meetings are held bi-monthly at which time interesting programs on industry are given. Activities this year have included a field trip and a trip to the state convention. The new club is off to a good start. Officers are: President, Norman Hymel; Vice President, Shelby Duay; Secretary, Roger Gorsha; Treasurer, Skipper Strong; Parliamentarian, B. C. Fernandez; Rep., Merlin Price; and Sponsor, Jariel Francis.

Club Members

The officers of Sigma Kappa are Bobby McChesney, President; Barry Talbot, Vice President; Cherie Russo, Secretary; Frances Ratcliff, Corresponding Secretary; Sandra Fromenthal, Reporter; Glenda Giroir, Treasurer. The sponsors of Sigma Kappa are Roger Bellow, Henry Steckler, Vincent Cali, and Walter Morse.

Below is a picture of part of Morgan City High's 1958 Science Demonstration.

"Necessity is the mother of invention" . . . so thought the M.C.H.S. Science Department as it set about organizing Sigma Kappa, a club that was badly needed at Morgan City High. In spite of its relatively new beginning the Sigma Kappa membership is growing in leaps and bounds. To the relief of the faculty there is finally a place for the "why is it" and "what's it for" students. These students are finding it out for themselves through the many activities of Sigma Kappa. At the interesting meetings held twice monthly speakers are invited to give their views on certain topics. This year Sigma Kappa became a member of the National Science Clubs of America. An informative visit to the sugar refinery in Franklin also was of much interest to the students.

Anyone passing by room 42 on a certain Wednesday night and hearing "peculiar noises" can now stop wondering what the commotion was about. It was probably just the semi-monthly meeting of Le Cercle Francais, and the "peculiar noises" were just a few French phrases emitted by its members. This year, under the guidance of its new sponsor, Mrs. Betty Funchess, Le Cercle Francais continued its campaign to promote a greater interest in the students of M. C. H. S. Projects planned include a trip to the Vieux Carre in Nouvelle Orleans and the beginning of a French language library to be used by the French classes.

President Mona Duplantis calls Le Cercle Francais to order.

The officers of Le Cercle Francais are Mona Duplantis, President; Leon Resignola, Vice President; Judy Clements, Secretary; Cherie Russo, Reporter; Earline Clause, Chaplain; Valerie Jorden, Historian; and O. J. Barbier, Parliamentarian; Mrs. Funchess is the Sponsor.

Music Is Their Business

The Morgan City High School Band has almost become an institution in our town. This faithful Tiger Band not only takes part in school activities, but it can be heard annually at the municipal Armistice Day program, at concerts, at other schools, and at Rotary and Kiwanis Club meetings. They have marched in the Shrimp Festival, Christmas, and in the New Orleans Mardi Gras Parades. For years this group has been judged superior at the state band festival and has received sweepstake awards for achieving superior ratings in marching, sight reading, and concert. This year under the new, but capable direction of Mr. Bernie Driskill, Jr., an alumnus of the High School and the band, it promises to continue making music that all of us enjoy.

The majorettes of the Tiger Band this year are: Gay Derks, Drum Majorette, Sandra Naquin, Sandra Cloutier, Pat Hebert, Ellen Belanger, and Carolyn Fangué. Mississippi Southern Summer Camp seems to have inspired this hard working group which keeps striving for better routines.

M. C. H. S. - 13

The Morgan City Tigers, defending Class AA state champions, opened their 1958 season in fine style by journeying to Jennings to impressively defeat the Bulldogs. Charles Varnum went five yards for the first Tiger tally early in the game. Toward the end of the first quarter, Dave Cavalier went sixty-six yards for the second Morgan City Touchdown. His try for extra point was good. The Tigers' crack defense held Jennings' yardage to 102 yards. Outstanding were Captain Burl Forgey, Don Forgey, David Adkins, Jim White, and George Shely.

JENNINGS - 0

M. C. H. S. - 13

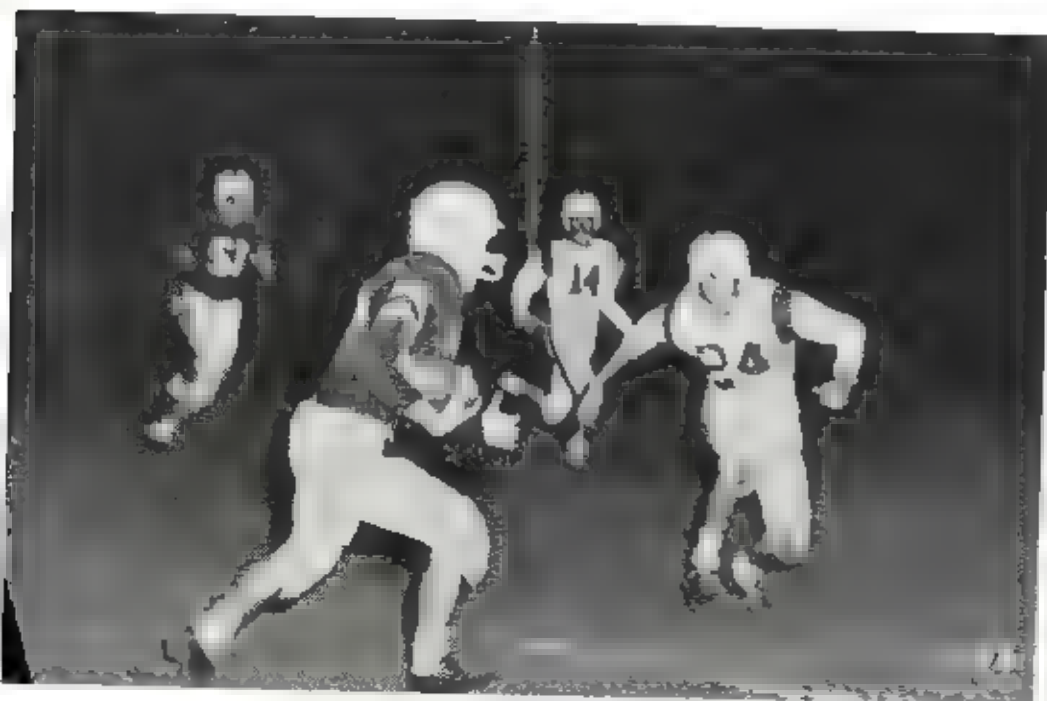

The Tigers scored their second straight victory of the year as they hosted the Assumption Mustangs of Napoleonville and played their first game of the season before hometown fans in Tiger Stadium. During the first quarter, Dave Adkins went seven yards for the first score of the game. Dave Cavalier scored the only other touchdown, running eleven yards for paydirt. The try for extra point was good. Burl Forgey, Leonard Weber, Sinclair Porth, George Shely, Jim White, and Shelby Duay played a superb game in the line for Morgan City.

yards for the first Tiger touchdown and the score at the half was 6-6. In the second half, Dave Cavalier went ten yards for a tally after which he ran for an extra point. Charles Varnum blasted four yards for his second touchdown and, soon after, Dave Cavalier raced three yards for his second tally and the final touchdown of the game. The defensive play and fighting spirit of Morgan City's forward wall was extremely good. Burl and Don Forgey played an excellent game.

M. C. H. S. - 6

NEW IBERIA - 0

The Morgan City Tigers outdid the triple A New Iberia Yellow Jackets in a thriller to remain undefeated thus far in the season. The only score of the game was made by Charles Varnum as he crashed through from the three yard line. This climaxed a fifty-seven yard drive started when QB Dave Adkins intercepted a pass on Morgan City's forty-three yard line. Leonard Weber had a busy night, recovering three fumbles.

M. C. H. S. - 0

ST. FRANCIS - 6

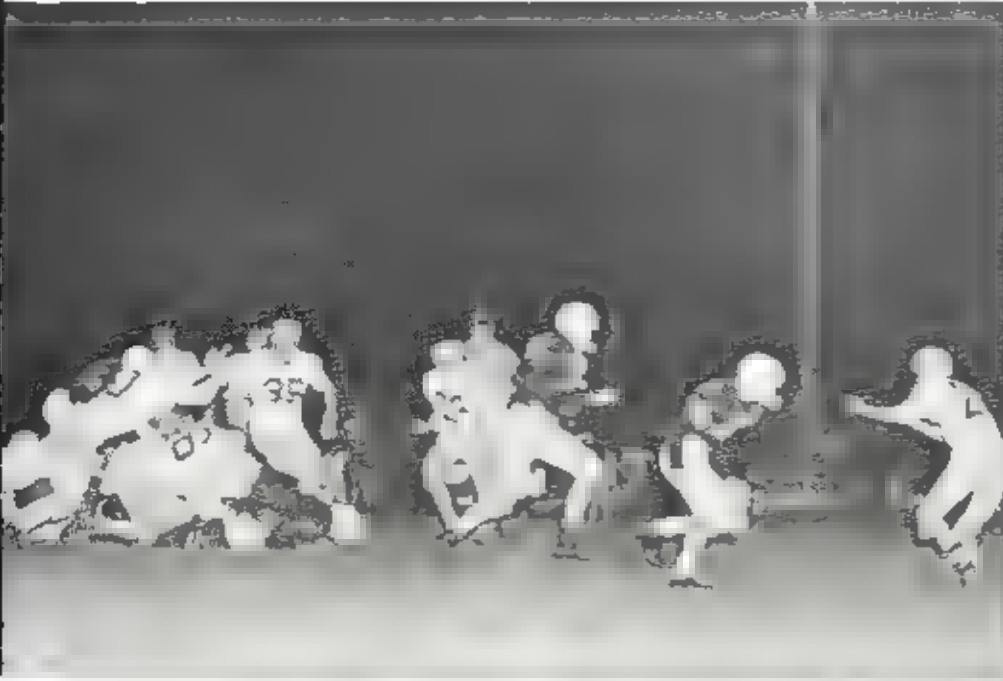

The Tigers journeyed to Houma only to suffer their first defeat in twenty games at the hands of the St. Francis de Sales Terriers. The Tigers had had nineteen straight wins which had started during the 1956 season after

a thrilling 20-20 tie with these same Terriers. The only score in this year's game was the result of a twenty-six yard pass. The Tigers got to the Terriers' two yard line but could get no further. On defense, George Shely, E. J. Cavalier, Don Forgey, Bruce Reynolds, Sinclair Porth, Burl Forgey, Billy Verrett, Shelby Duay, and Jim White looked exceedingly good even though they were no match, in size, for their opponents.

M. C. H. S. - 12

CATHEDRAL - 7

The Tigers hosted the Cathedral Tigers of Lafayette and remained undefeated in district play this year at their expense. Dave Cavalier scored both Morgan City touchdowns, one on a beautiful forty-seven yard run in the second quarter and the other on a fifteen yard run in the fourth period. The fast charging M. C. H. S. line, led by Burl Forgey and George Shely, was a very important factor toward the outcome of the game.

M. C. H. S. - 13

THIBODAUX - 14

The Morgan City Tigers traveled to Thibodaux and lost a thrilling game to the Thibodaux Tigers. Charles Varnum closed out a seventy yard drive by plowing through to score from the two in the second quarter. David Adkins closed out the scoring for Morgan City by going three yards for paydirt in the third quarter. In the fourth period, the Morgan City Tigers had several drives bogged down short of paydirt. Defensively, M. C. H. S. profited, by the fine playing of the line particularly of George Shely, Jim White, Tommy Polson and Shelby Duay.

M. C. H. S. - 26

Farewell

FOND FAREWELL

Here it is. We hope you like
it --

These are the words of fond
farewell.

Through September, October,
November, we admit
The staff worked hard, its
tale to tell.

Our tempers, of course,
often rose and fell --

As each kept striving to do his
bit.

Here it is. We hope you like
it --

Again we repeat in fond
farewell.

January found us busy, and
February hit;

The deadline arrived; we
could rest a spell.

The work was all over, but we
"chomped at the bit"

To see it, to know if we
really did well.

Here it is. We hope you like
it --

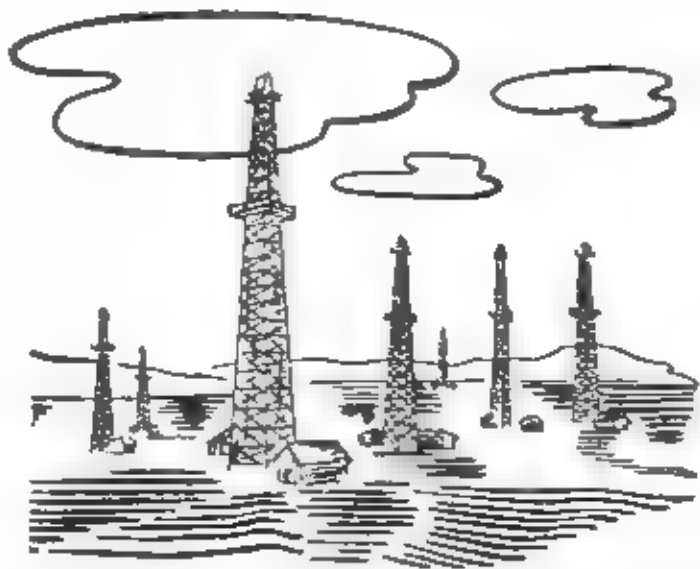

These are the words of our
fond farewell.

So a nice guy,
it's been a pleasure
to know and have classed
with you. Best of luck in
the future.
Yours,
"B" Belanger

Gerry—

So a really swell guy in
my French I class. I
enjoyed French class more
than any other one. You cer-
tainly gave Mrs. Funchess
a rough time. Hope you
enjoy life when you get
out of school, as much
as you did in school.

Maybe someday we
will have that date you've
been asking for. Lots of
luck.

Janet C.

Gerry,
You're the
greatest guy to
know, although
I really don't tell
you that well. I
hope you be your
friend. Be swell
and stay as cute
as you are always.
A friend
Janet

So the biggest
fuck off
WGA

~~///~~ Jerry,

Thanks for saving this page for me.
I've learned my lesson, that Gerry Touchet
can't keep his word and that's a fact.
Best wishes also I hope we can become
the best of friends in the future years
to come. Loving You
Always Viola
